

WED 19TH
DEC 2018

Bemboka Public
School

MERRY CHRISTMAS AND
HAPPY NEW YEAR TO ALL.

What a wonderful evening! Congratulations to all who received awards and attended our special night. We are very proud of you and thank you all for coming.

School Presentation Night

2019.....here we come!

In 2019 we will witness another new exciting chapter for Bemboka Public. Our Stephanie Alexander Kitchen Garden program will now include the construction of our STEM project. Stuart Alcock will be project manager and with assistance from Bajjada Drafting will be building a new playground area. There will also be a Creative Arts program led by teachers on this day as well.

We will be welcoming Mrs Jo Collins on Tuesdays, Wednesdays and Thursdays who will be teaching the Blue Learning Group.

On Monday and Fridays we will run 2 classes Green and Yellow. The Green learning group will be taking over the library as their learning area and we will be creating a classroom specifically dedicated to technology, robotics and Lego. Miss Jaimi Van Beek will be teaching the Yellow Learning Group and we welcome Mrs Christa Forsyth who will be our learning and support teacher on Mondays and teaching the Green Learning Group on Fridays. Our bush tucker garden will be planted around our new playground area and every 3 weeks we will be holding engaging science days.

We will see another whole school excursion and more fundraising activities. Grandparents day, our annual Book parade, the SCLC artshow and sporting events are just some the fabulous opportunities students have to look forward to in 2019.

Dates for 2019

January

- **Tue 29 Staff Development Day**
- **Wed 30 Students return Y1-6**
- **Thur 31 Kindy starts today**

We are looking forward to having all our new Kindergarten students start school in 2019. Your first day will be Thursday 31st January.

Goodbye to Ms Bond & Mrs Allen

Service One Banking Award

Gingerbread House Making

Thank you to everyone who helped making Gingerbread Houses today.

Goodbye Year 6 ~ Good luck in High School

**'You're off to great places
Today is your day
Your mountain is waiting
So get on your way"
~ Dr Seuss**

Thank you to Everyone ~ See you all next year

I have a dream to create a school environment that inspires our students, where they develop a sense of love for their learning, where their individual personalities are valued and cared for and to ensure their environment is happy and positive. I love my role not only as an educator but also as a leader. I love children and I love my students.

I value each one of them individually and I ensure that they are cared for as best as I can.

2018 has been an amazing year with a highly dedicated and passionate staff. I have been extremely lucky to have such a supportive staff this year who have gone above and beyond to make sure students are progressing in every aspect of their development.

To all my staff, I value and appreciate you all more than I could ever tell you. You bring such a positive vibe and smile to our school and your ongoing commitment and support is a quality you should be very proud of.

I have the most passionate, supportive, kind and dedicated staff that a principal could ever dream of. You are an amazing team and I am so fortunate to have you at Bemboka Public.

The staff and students are all very excited for the 2019 school year. It is going to be an amazing year with many more memories to be created and new opportunities to be involved in.

I hope you all enjoy your lovely summer break.

Miss Claire Morgan.
