HAPPY BIRTHDAY

Dear Parents and Caregivers,

SASS Week

Last week we celebrated SASS (School Administrative & Support Staff) Week at school. This is the very special week that we acknowledge Jenny's, Stuart's, Swaroopananda's and Monnica's role here at school. The teachers provided a morning tea on Thursday and Friday and students made cards. I would like to thank our amazing SAS staff here at school for their continual support, for leading additional programs and for the extra hours they put in to ensure students are provided with the most wonderful learning experiences. THANK YOU!!

School Stream

Bemboka Public School is now using School Stream as the main communication platform for our families. The app is available to download for free from your Apple or Android store (where you download apps from). Thank you to the families that have already registered. We would love to have all our families register to use School Stream. Our aim is to reduce the amount of paper notes that are sent home, improve our communication with our

families and provide more convenience to our families in how they fill out notes and view information sent home from school. There are two class feeds where teachers are beginning to post snapshots of what is happening in their classrooms and we have an absentee form that can

be easily filled out from the convenience of your phone. If you can please download the app we would greatly appreciate it as we are aiming to improve our communication methods with you.

Zoom or Phone Parent Teacher Interviews

In the last two weeks of this term we will be providing our families with the opportunity to engage in either Zoom or telephone parent teacher interviews. A booking form will be sent home soon. We look forward to speaking with you soon about your child's learning and wellbeing here at school.

Cross Country

Students will be participating in our annual school cross country on Wednesday 16 September. We will commence the cross country after lunch and will have staff members placed on checkpoints. Due to COVID-19 we are unable to have parent helpers or spectators. We will ensure that we take lots of photos and post them onto our School Stream app.

Yours in Education

Principal

LIONS TOOL LIBRARY

With a grant from the Mindaroo Foundation, Lions in District 201N2 has been able to set up two tool libraries, each containing \$25,000.00 worth of new tools for use by people in disaster areas. Included in the containers are a pump, a generator, power tools, wheel barrows, shovels, crow bars, fencing tools and much more. The loan will be for a period of three weeks and there is NO charge. One of these tool libraries is currently based in the carpark of the Bermagui Country Club and the other has been offered to Sussex Inlet after the recent floods. In October, it may be moved to the Kiah area. If you would like any more information or to borrow any of the tools in the libraries, please contact:
