Dear Parents and Caregivers,

Schools Audit

On Tuesday June 25 and Wednesday June 26, the school completed an audit by the NSW Department of Education. The auditor looked at our Work, Health and Safety, Finance (including banking and receipting), Child Protection, Attendance, Assets and Equipment. The report from our audit stated that we passed all aspects reviewed. I would like to acknowledge the tremendous effort and organisation that Jenny did to prepare for the School's Audit. Our results reflect the amazing role that Jenny plays in the office as our School Administrative Manager to ensure that we are in line with policy and procedure.

Small Schools Soccer Knockout Competition

On Monday July 1, our school football team played Central Tilba PS in the Small Schools Football Knockout Competition. Our students played with passion and eagerness to win however the Central Tilba team were strong opponents. I would like to thank Stuart for his dedication and support with preparing our students for the soccer knockout. With short notice, he provided training and guidance to the students. Stuart and Jenny also organised the soccer equipment at school for the students and prepared some sliced oranges for

the students. Thank you to the Bemboka Braves soccer club for your support in sitting up the field and to Mick O'Reilly for providing us with some spare soccer boots to help with student sizing. Thank you to Matt for being our referee for the game. Thank you to all the parents, staff, students and community members who were down at Colombo Park supporting and cheering on our school. Feedback from students have stated that they wish to start training for the soccer knockout competition for 2025 in Term 1 next year. We will be eager to find our students a coach as they are determined to win next year!

School Breakfast Program

Our school breakfast program has commenced and is available three days per week (when we can). Students are still very much encouraged to have breakfast at home as sometimes our breakfast program may have to be cancelled due to staffing shortages or extracurricular activities. Sometimes these cancellations will occur at the last minute. We offer a light breakfast and fruit for students in our breakfast club.

Small Schools Athletics Carnival

Congratulations to all our students who participated in the Small Schools Athletics Carnival on Friday June 21. The competition was strong in the field and track events. The younger students had a lot of fun at the novelty events as well. I am looking forward to supporting the Small Schools and our students at the District Athletics Carnival on Friday July 26.

NAIDOC Celebrations

The theme for NAIDOC this year is 'Keep the Fire Burning! Blak, Loud and Proud'. The meaning behind this theme honours and recognises the strength, vitality and enduring nature of First Nations culture.

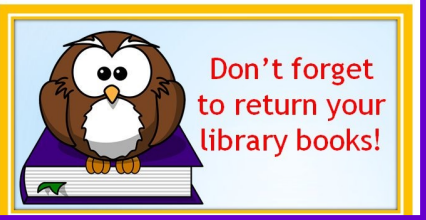

On Wednesday July 3, students in Year 3 and Year 4 travelled to Jigamy to participate in the NAIDOC celebrations. Students had a wonderful time learning how to throw spears and boomerangs, learning dance and language, participating in art activities, learning about artefacts and eating Johnny Cakes. Thank you to Julie Ringland for transporting the students to this wonderful event.

Early next term, we will hold a whole school event where students will rotate around activities connected to the NAIDOC theme. We will also have a formal assembly in the afternoon on this day. Thank you to Miss Stewart for organising this day for our school. We will advise parents of the day and date as soon as possible.
